BRIDGING DIVIDES FOR WATER

Our Ambition for the Istanbul Forum

The 5th Forum in Istanbul:

1. Is uniquely a multi-stakeholder platform and dialog for water
2. Is focussed on the critical issues in water today
3. Is focussed on the political dimensions of these issues
4. Engages stakeholders in a facilitated and meaningful dialog
5. Results in policy and political changes leading to problem resolution and meaningful change

BRIDGING DIVIDES FOR WATER

BRIDGING DIVIDES FOR WATER

Istanbul 2009

5th World Water Forum

Bridging Divides for Water

aim

6 themes

25-30 topics

100 sessions

Thematic framework

- Limited number of themes with quality inputs
- Enabling participation of a large diversity of stakeholders
- Each topic & session prepared using a short series of key questions

Kick-off => 6 Themes

Providing Water for Sustainable Development:

- ◆ **Global Changes & Risk Management**
- ◆ **Advancing Human Development and the MDGs**
- ◆ **Managing and protecting water resources and their supply systems to meet human and environmental needs**

Enabling Mechanisms for Development

- ◆ **Governance and management**
- ◆ **Finance**
- ◆ **Education, Knowledge and Capacity Building**

BRIDGING DIVIDES FOR WATER

Istanbul 2009

5th World Water Forum

Forum Political Process

1. Involve decision-makers and trigger commitment
2. Bridge the thematic process and the political process of the Forum;
3. Do not duplicate UN processes but design a process based on a dialogue and interactions between three political groups:
 - **Governments**
 - **Parliamentarians**
 - **Local Authorities**

BRIDGING DIVIDES FOR WATER

Istanbul 2009

5th World Water Forum

Forum Political Process

Preparatory

Work

- Involve representatives of the three groups
- Address themes from a political perspective in relation with the thematic framework
- Define and work on concrete objectives

Final

Results

- Define, design and implement Forum processes: Dialogues, preparation of final documents/resolutions

BRIDGING DIVIDES FOR WATER

Istanbul 2009

5th World Water Forum

Forum Political Process

- Focus Group meetings to propose steps and objectives in November 2007 and January 2008
- Proposal to focus on one major theme: **Water Management Adaptation Strategies for global Changes, including Climate Variability/Change**

BRIDGING DIVIDES FOR WATER

Istanbul 2009

5th World Water Forum

► World Water Forum: the world's largest water event

The World Water Forum is the main water-related event in the world, aimed at putting water firmly on the international agenda. A stepping stone towards global collaboration on water problems, the Forum offers the water community and policy-and-decision-makers from all over the world the unique opportunity to come together to

create links, debate and attempts to find solutions to achieve water security.

The 5th World Water Forum will be held in Istanbul, Turkey, from 16 to 22 March 2009.

Political Process Brainstorming Session

In partnership with the Turkish Ministry of Foreign Affairs and 5th Forum Secretariat, the WWC recently hosted, at its headquarters in Marseilles, a brainstorming session for the Political Process of the 5th Forum. The purpose of this two-day-meeting was to gather representatives from local authorities, parliamentarians and members of national governments within a participatory framework to discuss the format, thematic focus and the development of products related to the Forum's Political Process. Invitation to an Open Event at the Asia-Pacific Water Summit

"The 5th World Water Forum and the Asia-Pacific Region" Open Event will take place during the 1st Asia-Pacific Water Summit in Beppu, Japan, on 4 December. Building on the accumulated experience of four successive fora, this event, which is open to the public, will describe progress in the preparation of the 5th World Water Forum to be held in Istanbul, Turkey, in March of 2009, within the context of its overarching theme: "Bridging Divides for Water." As one of the major geographic regions defined in the preparatory process, special attention will be given to the
