- ❖ (Malta, 2004-05-04 (Abed Al- Rahman Al- Tamimi on behalf of Fadel Kawash)

- based on outcomes of Malta meeting
- PWA started to define the structure of NFP in relation With EMWIS
- Define the needs (hardware and software)
- Set up a working plan for 2004-2006

# NFP achievements

- Creating Palestine-NFP Web-site
- Starting 2001
- Gathering and sorting of information
- Web design and hosted in EMWIS server  
Sophia-antipolis
- Last updating (may 2002) (WHY)
- Complex political situation (Intifada) poor  
coordination with other national stakeholders

- Planned activities (2005-2006)
- As PWA received the equipments (software-hardware) + approval for fund allocation from EMWIS. We started preparing the ToR for the technical assistance for the Web development
- Comprise new design according to EMWIS Technical unit requirements
- Defining the main stakeholders to cooperate with
- For the moment (eight have been selected)
- NGOs – GOV- research centers and universities
- EWASH
