

4th Meeting of the OECD Water Governance Initiative

AGENDA

24-25 November 2014

OECD Conference Centre – CC12
Paris, France

About the OECD

The OECD is a forum in which governments compare and exchange policy experiences, identify good practices in light of emerging challenges, and promote decisions and recommendations to produce better policies for better lives. The OECD's mission is to promote policies that improve economic and social well-being of people around the world.

About the OECD Water Governance Initiative

The [OECD Water Governance Initiative](#) is an international **multi-stakeholder network** of around 100 delegates from public, private and not-for-profit sectors gathering twice a year in a **Policy Forum** to share on-going reforms, projects, lessons and good practices in support of better governance in the water sector.

4th Meeting of the OECD Water Governance Initiative

24-25 November 2014

OECD Conference Centre – CC12, Paris, France

The [OECD Water Governance Initiative](#) is an international **multi-stakeholder network** of 100+ delegates from public, private and not-for-profit sectors gathering twice a year in a **Policy Forum** to share experience on reforms, projects, lessons and good practices in support of better governance in the water sector. It was launched on 27-28 March 2013 in Paris (1st meeting), and held its 2nd Meeting on 7-8 November 2013 (Paris) and its 3rd Meeting on 28-29 April 2014 (Madrid).

The OECD Water Governance Initiative aims to:

- **Advise governments** in taking the needed steps for effective water governance reforms through policy dialogue across decision-makers at different levels;
- Provide a **technical platform** to discuss analytical work on water governance through peer-to-peer exchanges and knowledge sharing;
- Provide a **consultation mechanism** to raise the profile of governance issues in the **Global Water Agenda** (World Water Forum, Post-2015 Development Agenda)
- Support the implementation of the governance targets designed for the 6th World Water Forum (Marseille, 2012) up to the 7th **World Water Forum** (Korea, 2015);
- Contribute to the preparation of **OECD Principles on Water Governance** and **OECD Indicators on Water Governance** for decision-makers at all levels to commit to action;

Objectives of the Meeting

1. Discuss recent developments in the **Global Water Agenda**, especially the preparatory process of the 7th World Water Forum (Korea, 2015) and progress on negotiations related to post-2015 SDGs;
2. **Peer-review** OECD draft reports on “Water Governance in Brazil”, “Stakeholder Engagement for Inclusive Water Governance” and “Water Policies for Future Cities”;
3. Share views and suggestions on the first draft of **OECD Principles on Water Governance**;
4. Brainstorm (in working groups’ meetings) on a set of **policy indicators** for each of the 12 principles on water governance
5. **Share experience** on water governance reforms, initiatives and events.
