Invitation to nominate Steering Committee members 2011

There will be five vacant positions on the GWP Steering Committee (SC) to be filled for the November 2011 Steering Committee Meeting. **Of these three will be selected from global candidates (who can be self nominated or proposed).** On behalf of the Nominations Committee, you are hereby invited to submit nominations for consideration as a global member of the SC. This can be done by self-nomination or by nomination by any member, partner or donor of GWP. With respect to the three global members to be nominated at this time, **one should be a non-water sector professional**, drawn from stakeholder sectors such as energy, agriculture, industry, community development, economics, urban development etc. and **two should be water sector professionals**. Profiles of candidates are presented below.

Steering Committee members serve in their personal capacity and are expected to work to support the realization of GWP's vision and achievement of its mission. All new Steering Committee members are required to participate in an induction program, to bring them up to speed with the operations and culture of the Steering Committee.

Steering Committee members are not remunerated for their services but may be reimbursed for reasonable expenses. It is expected that SC members be available to travel internationally and attend two 3-day meetings per year and it is desirable that they **have the time up to 2 weeks so as to be able to effectively contribute to the deliberations of the SC**. Members can serve up to two three year terms.

Candidate Profiles

Global Candidates - Non-Water Sector Professional:

- Board experience is desirable;
- Internationally recognized professional (from high level educational or applied research establishment, international organization, international NGO, private sector or other similar organization)
- Ability to contribute to helping GWP fulfil its mission and achieve its vision;
- Ability to help GWP reach out beyond the water sector;
- Experience with water use/management issues in professional area of expertise (energy, industry, health, agriculture etc.) is desirable
- Good working knowledge of English to allow effective participation in the work of the SC.

Global Candidates - Water Sector Professional:

- Board experience (experience with board subcommittee work such as HR, or finances is desirable);
- Internationally recognized water sector professional (from high level educational or applied research establishment, international organization, international NGO, private sector or other similar organization);

- Commitment to GWP's vision and mission;
- Ability to contribute towards the development of GWP's strategic directions;
- Not less than 15 years experience working directly on water issues
- Good working knowledge of English to allow effective participation in the work of the SC

Given the current SC composition and the outgoing SC member profiles we strongly encourage female candidates to apply. The nomination process will also take into account specific needs within the Steering Committee (with respect to skills, etc.)

Please note that a candidate may be re-nominated for as a global candidate without restriction unless he/she has already served two terms in the SC.

For each nominee, the attached form needs to be submitted together with a CV of maximum 4 pages. We need your nominations no later than Monday 21 March, 2011.

Please send nominations to Ms Suzanne Strömberg, at the GWP Secretariat in Stockholm (suzanne.stromberg@gwpforum.org). Nominations are valid for one year only, however, potential candidates can be re-nominated.

The Nominations Committee will draw on the global nominations to identify three candidates for submission to the Sponsoring Partners as part of the normal Steering Committee candidate selection process. The names of the candidates will be presented to the Consulting Partners in late May 2011 for finalization and presentation to the Sponsoring Partners in August 2011.

For a list of the elected members of the GWP SC 2010-2011, please visit the GWP website: <http://www.gwpforum.org/servlet/PSP?iNodeID=604&iFromNodeID=161>

We look forward to receiving your proposals.

Sincerely yours,

Ruth Meinzen-Dick
Chair of the GWP Nominations Committee
