

CALL FOR PAPERS

Third International Drought Management Conference Hyatt Hotel, Canberra, Australia 3-5 October 2011

The third in this important series of conferences is being organised on the theme *The Science, Policy and Politics of Drought*. Proposals for papers and posters are being sought on the following topics:

- **The Policy-Science Interface**
- **Policy-making, risk and uncertainty**
- **Latest developments in drought research**

This conference is being hosted by the Faculty of Business and Government at the University of Canberra and follows the successful events in Zaragoza, Spain and Istanbul, Turkey.

Requests for further information about the conference and proposals for papers and posters should be emailed to droughtconference@canberra.edu.au
