Dear Sir,
Dear Madam,

We regret to inform you that the European Investment Bank's regional Forum **"Tackling Climate Change: Making Green Growth a Reality"** due to take place at the Hilton Hotel in Athens on Thursday 20 October 2011 has been postponed.

The general strike, announced in Greece for the 19th of October 2011, will most likely affect the overall organisation of the event and impact the travel plans of the attendees.

The conference will be rescheduled and you will receive a new invitation in the coming weeks. You may also wish to visit our website www.eib/events for updated information on the conference.

Should you have any questions or concerns, please do not hesitate to contact events@eib.org or call the Bank's Protocol Service tel. +352/ 4379-84206.

We sincerely apologize for any inconvenience this may cause you.

Yours sincerely,

Philippe Maystadt
President
