

# The second Symposium on Analytical Chemistry for Sustainable Development - ACSD 2013 and the 4<sup>th</sup> Federation of African Societies of Chemistry (FASC) Congress - 7-9 May 2013 – Marrakech- Morocco

## FIRST ANNOUNCEMENT AND CALL FOR PAPERS

The second international symposium on  
"Analytical Chemistry for a Sustainable  
Development"- **ACSD 2013**  
And  
The 4<sup>th</sup> Federation of African Societies of  
Chemistry (**FASC**) Congress

May 7- 9, 2013  
Marrakech - Morocco

Organized by

*Moroccan Society of Analytical Chemistry for a  
Sustainable Development and Federation of  
African Societies of Chemistry*

Moroccan Society of Analytical Chemistry for Sustainable Development (AMCADD) and the Federation of African Societies of Chemistry organize the second symposium on analytical chemistry for sustainable development and the Fourth FASC congress. The symposium aims at bringing together researchers, scientists, engineers, and students to exchange and share their experiences, new ideas, and research results about all aspects of Analytical chemistry and Green chemistry for sustainable development in Africa.

**Topics:** Symposium topics include

1. Emerging techniques in analytical science
2. Electroanalysis
3. Pharmaceutical and biomedical analysis
4. Food and Environmental analysis
5. Green Chemistry for sustainable development in Africa (Environmental Chemistry, Catalysis, Green Chemistry Education..).

**Call for abstracts** : A major part of the meeting will be oral and poster contributions from students and researchers. Abstracts for oral and poster presentation are now invited. For full consideration, abstracts must be received by December 20, 2012. Brief abstracts ( one page) should be emailed to ACSD2013 Symposium. ([amcaddassociation@yahoo.fr](mailto:amcaddassociation@yahoo.fr)).

Please include full contact details and say whether you are submitting an abstract for oral or poster presentation.

The abstract should contain :

1. Title /2. Name of authors / 3. Organization
