

Nexus Dialogue on Water Infrastructure Solutions

How to contribute?

What type of water infrastructure is being used to provide water for multiple uses?

Who has benefited and in what ways?

What tools, guidance, models and technologies do you use to identify water infrastructure solutions?

How has this project influenced water, energy, and food security?

- ❑ Use the guiding questions to develop your contributions: waternexussolutions.org
- ❑ Submit your Tools or Case Studies to solutions@waternexussolutions.org or upload them to the [Nexus Toolkit](#)
- ❑ Join in the online discussions via the [IWA Water Wiki](#)
- ❑ Take part in anchor workshops in your region, and participate in the 2014 International Conference on Water, Food, and Energy

- ❑ Follow us on social media channels:   @WaterNexus
