

# GWP Ken Thiess Memorial Scholarship

## Master of Integrated Water Management (Australia)

Applications for the Global Water Partnership Ken Thiess Memorial Scholarship are now open (until 13 September 2013) to female candidates from developing countries. This scholarship will fund study and living expenses to undertake the IWC Master of Integrated Water Management commencing in 2014.

### Scholarship aim

The aim of this scholarship is to build capacity in female leadership in Integrated Water Resource Management (IWRM) and through doing so, to improve the implementation of IWRM in the home nation of the scholar.

### Eligibility requirements

- Be a female, citizen of one of the GWP 84 partner countries (see IWC website for more information)
- Have at least five years of experience in the water sector managing IWRM projects
- Apply for admission in the IWC Master of Integrated Water Management (MIWM) program and meet the entry requirements:
  - A completed undergraduate degree in a related field of study from an internationally-recognised institution
  - English language proficiency, as demonstrated by an officially recognised test of English language proficiency

SCHOLARSHIP FUNDED BY:

### Important dates

- **13 September 2013:** Closing date for scholarship applications  
*Please note that candidates also need to submit an application for the MIWM program at The University of Queensland before or soon after lodging their scholarship application form.*
- **4 October 2013:** Notification of scholarship application outcome
- **February 2014:** MIWM program commences at UQ

### Master of Integrated Water Management

The International WaterCentre's MIWM program takes a transdisciplinary, whole-of-water-cycle approach. It is jointly taught by industry experts and lecturers from four leading Australian universities.

The program equips students with the integration, leadership and managerial skills to become part of an elite group of water leaders with sustainable and holistic solutions to global water challenges.
